Charles Mergenovich - Kenneth F. Houghton

The names and addresses of the parties to the
aforementioned Agreements are as follows:

(1) Vendor-Assignee-Agent:

LaSalle National Bank,
135 South LaSalle Street,
Chicago, Illinois 60690.

(2) Trustee-Owner-Trustee:

Exchange National Bank of Chicago,
130 South LaSalle Street,
Chicago, Illinois 60603.

(3) Builder-Vendor:

Trinity Industries, Inc.,
P. O. Box 10587,
Dallas, Texas 75207.

(4) Lessee:

Allied Chemical Corporation,
P. O. Box 1219 R,
Columbia Road and Park Avenue,
Morristown, New Jersey 07960.

Please file and record the documents referred to in
this letter and index them under the names of the Vendor-
Assignee-Agent, the Trustee-Owner-Trustee, the Builder-Vendor
and the Lessee.

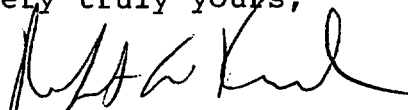

The equipment covered by the aforementioned docu-
ments consists of the following:

145 13,500 gallon coiled insulated tank cars,
AAR Mechanical Designation 111A 100 W 3, bearing the
Lessee's identification numbers AFPX 413213-413357,
both inclusive.

There is also enclosed a check for \$100 payable to
the Interstate Commerce Commission, representing the fee for
recording the Conditional Sale Agreement and related Agree-
ment and Assignment (together constituting one document), and
the Lease of Railroad Equipment and related Assignment of
Lease and Agreement (together constituting one document).

Please stamp all counterparts of the enclosed documents with your official recording stamp. You will wish to retain one copy of the instruments for your files. It is requested that the remaining counterparts be delivered to the bearer of this letter.

Very truly yours,

Robert A. Kindler
As Agent for
Allied Chemical Corporation

INTERSTATE COMMERCE COMMISSION

LEASE OF RAILROAD EQUIPMENT

Dated as of March 15, 1981

Between

ALLIED CHEMICAL CORPORATION,
Lessee,

and

EXCHANGE NATIONAL BANK OF CHICAGO,
not in its individual capacity, but solely as trustee under
a Trust Agreement dated as of the date hereof with
Republic National Leasing Corporation

[covering 145 tank cars]

The rights and interests of the Lessor under this Lease
are subject to a security interest in favor of LA SALLE
NATIONAL BANK, as Agent for certain institutional inves-
tors. The original of this Lease is held by said Agent.

LEASE OF RAILROAD EQUIPMENT dated as of March 15, 1981, between ALLIED CHEMICAL CORPORATION, a New York corporation ("Lessee"), and EXCHANGE NATIONAL BANK OF CHICAGO, a national banking association, acting not in its individual capacity but solely as trustee (together with its successors and assigns, "Owner-Trustee") under a Trust Agreement dated as of the date hereof ("Trust Agreement") with Republic National Leasing Corporation ("Owner").

The Owner-Trustee is entering into a Conditional Sale Agreement dated as of the date hereof ("CSA") with Trinity Industries, Inc., a Texas corporation ("Trinity"), wherein Trinity has agreed to sell and deliver to the Owner-Trustee the units of railroad equipment described in Schedule A hereto ("Equipment").

Trinity is assigning its interests in the CSA to La Salle National Bank, acting as agent for certain investors (said bank, as so acting, together with its successors and assigns, "Vendor") under a Participation Agreement dated as of the date hereof ("Participation Agreement") with the Lessee, the Owner-Trustee, the Owner, Old Stone Bank ("Interim Investor") and the parties named in Schedule A thereto (together with the Interim Investor, the "Investors").

The Lessee desires to lease such number of units of the Equipment as are delivered and accepted and settled for under the CSA ("Units") at the rentals and for the terms and upon the conditions hereinafter provided.

The Owner-Trustee will assign this Lease for security to the Vendor pursuant to an Assignment of Lease and Agreement ("Lease Assignment") dated as of the date hereof, and the Lessee will consent to the Lease Assignment pursuant to a Lessee's Consent and Agreement ("Consent") dated as of the date hereof.

NOW, THEREFORE, in consideration of the rentals to be paid and the covenants hereinafter mentioned to be kept and performed by the Lessee, the Owner-Trustee hereby leases the Units to the Lessee upon the following terms

and conditions:

§ 1. NET LEASE

This Lease is a net lease. The Lessee's obligation to pay all rentals and other amounts hereunder shall be absolute and unconditional and, except as herein provided, the Lessee shall not be entitled to any abatement of rent or of other amounts due hereunder, reduction thereof or setoff against rent or such other amounts, including, but not limited to, abatements, reductions or setoffs due or alleged to be due by reason of any past, present or future claims of the Lessee against the Owner-Trustee or the Owner under this Lease or under the CSA, including the Lessee's rights by subrogation thereunder against Trinity or the Vendor or otherwise; nor, except as otherwise expressly provided herein, shall this Lease terminate, or the respective obligations of the Owner-Trustee or the Lessee be otherwise affected, by reason of any defect in or damage to or loss of possession or loss of use or destruction of all or any of the Units of Equipment from whatsoever cause, any liens, encumbrances or rights of others with respect to any of the Units, the prohibition of or other restriction against the Lessee's use of all or any of the Units, the interference with such use by any person or entity, the invalidity or unenforceability or lack of due authorization or approval of this Lease, any present or future insolvency of or the bankruptcy, reorganization or similar proceeding against the Lessee, or for any other cause whether similar or dissimilar to the foregoing, any present or future law to the contrary notwithstanding, it being the intention of the parties hereto that the rents and other amounts payable by the Lessee hereunder shall continue to be payable in all events in the manner and at the times herein provided unless the obligation to pay the same shall be terminated pursuant to the express provisions of this Lease. To the extent permitted by applicable law, the Lessee hereby waives any and all rights which it may now have or which at any time hereafter may be conferred upon it, by statute or otherwise, to terminate, cancel, quit or surrender the lease of any of the Units except in accordance with the express terms hereof. Each rental or other payment made by the Lessee hereunder shall be final, and the Lessee shall not seek to recover all or any part of such payment from the Owner-Trustee, the Owner or the Vendor for any reason whatsoever.

§ 2. DELIVERY AND ACCEPTANCE OF UNITS

The Owner-Trustee hereby appoints the Lessee its agent for inspection and acceptance of the Units pursuant to Article 3 of the CSA. Each delivery of a Unit to the Owner-Trustee under the CSA shall be deemed to be a delivery hereunder to the Lessee at the point or points within the United States of America at which such Unit is delivered to the Owner-Trustee under the CSA. Upon such delivery, the Lessee will cause an employee or agent of the Lessee to inspect the same, and if such Unit is found to be acceptable, to accept delivery of such Unit on behalf of the Owner-Trustee under the CSA and itself hereunder and execute and deliver to the Owner-Trustee a certificate of acceptance ("Certificate of Acceptance") in accordance with the provisions of Article 3 of the CSA, stating that such Unit has been inspected and accepted on behalf of the Lessee and the Owner-Trustee on the date of such Certificate of Acceptance and is marked in accordance with § 5 hereof, whereupon such Unit shall be deemed to have been delivered to and accepted by the Lessee and shall be subject thereafter to all the terms and conditions of this Lease. The Lessee hereby represents and warrants to the Owner-Trustee that no Unit shall be put into service by the Lessee or any person under the control of or with the consent of the Lessee earlier than the date of delivery to and acceptance by the Lessee as agent for the Owner-Trustee hereunder. The delivery, inspection and acceptance hereunder of any unit of Equipment excluded from the CSA pursuant to the first paragraph of Article 4 thereof shall be null and void and ineffective to subject such Unit to this Lease.

§ 3. RENTALS

3.1. Amount and Date of Payment. The Lessee agrees to pay to the Owner-Trustee, as rental for each Unit subject to this Lease, an interim rental payment on July 2, 1981 (the "Lease Commencement Date"), and thereafter 29 consecutive semiannual payments, payable in arrears on January 2 and July 2 each year, commencing January 2, 1982. The interim rental payment shall be in an amount equal to the product of the Purchase Price (as defined in the CSA) of each Unit then subject to this Lease, multiplied by 0.0262578 for

each day elapsed from and including the Closing Date on which settlement shall have been made for such Unit under the CSA to the Lease Commencement Date. The 29 semiannual rental payments due after the interim rental payment shall each be in an amount equal to 5.78058% of the Purchase Price of each Unit subject to this Lease on the date of such payment. As additional rent, the Lessee will pay (i) the amounts, if any, to be paid by the Owner-Trustee pursuant to subparagraphs (a) and (b) of the last paragraph of Section 9.1 of the Participation Agreement on the dates specified therein, (ii) any Investment Deficiency paid pursuant to Section 2.5 thereof on the dates specified therein and (iii) on January 2, 1982, the amount, if any, which constitutes the difference between interest calculated at 14% per annum for the period July 2, 1981, to September 15, 1981, on the Interim Investor's Interest (as defined in the CSA) repaid on September 15, 1981, and the interest paid to the Interim Investor on September 15, 1981. Also, as additional rent, the Lessee will pay any additional amounts necessary to satisfy obligations of the Owner-Trustee under the CSA with respect to CSA Indebtedness and interest thereon.

3.2. Payment on Nonbusiness Day. If any of the semiannual rental payment dates referred to above is not a business day (as such term is defined in the CSA) the semiannual rental payment otherwise payable on such date shall then be payable on the next succeeding business day, and no interest shall be payable for the period from and after the nominal date for payment thereof to such next succeeding business day.

3.3. Instructions To Pay Agent and Owner-Trustee. Until the Vendor notifies the Lessee that the CSA is no longer in effect, the Owner-Trustee irrevocably instructs the Lessee to make all the payments due the Owner-Trustee provided for in this Lease (other than payments to the Owner-Trustee in its individual capacity) to the Vendor, for the account of the Owner-Trustee, in care of the Vendor. The Owner-Trustee has instructed the Vendor (a) first to apply such payments to satisfy the obligations of the Owner-Trustee under the CSA known to the Vendor to be due and payable on the date such payments are due and payable hereunder and (b) second, so long as no event of default under the CSA shall have occurred and be continuing, to pay any balance promptly to the Owner-Trustee or to the order of the Owner-Trustee in immediately

available funds at such place as the Owner-Trustee shall specify in writing. The Lessee shall have no responsibility with respect to the application by the Vendor of payments made by it in accordance with the first sentence of this paragraph.

3.4. Payment in Immediately Available Funds.

The Lessee agrees to make each payment provided for in § 3.1 hereof in immediately available funds at or prior to 11:00 a.m., Chicago, Illinois, time, at the office of the Vendor on the date due, or, if the CSA shall no longer be in effect, at the office of the Owner-Trustee.

§ 4. TERM OF LEASE

4.1. Beginning and Termination; Survival. The term of this Lease as to each Unit shall begin on the date of delivery and acceptance of such Unit hereunder and, subject to the provisions of §§ 7 and 10 hereof, shall terminate on the date on which the final payment of rent in respect thereof is due pursuant to § 3 hereof. The obligations of the Lessee hereunder (including, but not limited to §§ 3, 6, 7, 9, 13 and 15 hereof) shall survive the expiration of the term of this Lease.

4.2. Rights and Obligations of Lessee Subject to CSA. Notwithstanding anything to the contrary contained herein, all rights and obligations of the Lessee under this Lease and in and to the Units are subject to the rights and obligations of the Vendor under the CSA. If an event of default should occur under the CSA, the Vendor may terminate this Lease (or rescind its termination) without affecting the indemnities which by the provisions of this Lease survive the termination of its term; provided, however, that so long as (i) no Event of Default exists hereunder, (ii) the Lessee is complying with the provisions of the Consent and (iii) the Vendor is entitled to apply the Payments (as defined in the Lease Assignment) in accordance with the Lease Assignment, this Lease may not be terminated and the Lessee shall be entitled to the rights of possession, use and assignment under § 12A hereof.

§ 5. IDENTIFICATION MARKS

The Lessee will cause each Unit to be kept numbered with the identifying number set forth in Schedule A hereto,

or in the case of any Unit not there listed such identifying number as shall be set forth in any amendment or supplement hereto extending this Lease to cover such Unit, and will keep and maintain, plainly, distinctly, permanently and conspicuously marked on each side in letters not less than one inch in height, the words, "OWNERSHIP SUBJECT TO A SECURITY AGREEMENT FILED UNDER THE INTERSTATE COMMERCE ACT, AS AMENDED", or other appropriate words designated by the Vendor or the Owner-Trustee, with appropriate changes thereof and additions thereto as from time to time may be designated by the Owner-Trustee or the Vendor as required by law or reasonably requested in order to protect the Owner-Trustee's and the Vendor's title to and interest in such Unit and the rights of the Owner-Trustee under this Lease and of the Vendor under the CSA. The Lessee will not place or permit any such Unit to be placed in operation or exercise any control or dominion over the same until such words shall have been so marked on both sides thereof and will replace or cause to be replaced promptly any such name and words which may be removed, defaced, obliterated or destroyed. The Lessee will not change or permit to be changed the identifying number of any Unit unless and until (i) a statement of new number or numbers to be substituted therefor shall have been filed with the Vendor and the Owner-Trustee and filed, recorded and deposited by the Lessee in all public offices where this Lease and the CSA shall have been filed, recorded and deposited and (ii) the Lessee shall have furnished the Vendor and the Owner-Trustee an opinion of counsel to the effect that such statement has been so filed, recorded and deposited, such filing, recordation and deposit will protect the Vendor's and the Owner-Trustee's interests in such Units and no filing, recording, deposit or giving of notice with or to any other Federal, state or local government or agency thereof is necessary to protect the interests of the Vendor and the Owner-Trustee in such Units.

Except as above provided, the Lessee will not allow the name of any person, association or corporation to be placed on any Unit as a designation that might be interpreted as a claim of ownership; provided, however, that the Lessee may permit the Equipment to be lettered with the names, trademarks, initials or other insignias customarily used by the Lessee or any of its affiliates on railroad equipment used by it of the same or a similar type for convenience of identification of its rights to use the Equipment under this Lease, and the Equipment may be lettered in an appropriate manner for convenience of identification of the interest of the Lessee therein.

The Lessee may make any change in the lettering of

the names, trademarks, initials or other insignias at any time and as often as it deems it appropriate to do so. At the expiration of the Lease or any extension hereof, the Owner-Trustee will promptly remove, at the Lessee's sole expense, the Lessee's names, trademarks, initials or other insignias and will not allow the Units to be used or operated without first removing same.

§ 6. TAXES

Whether or not any of the transactions contemplated hereby are consummated, the Lessee agrees to pay, and to indemnify and hold the Owner-Trustee, the Owner, the Investors and the estate held in trust by the Owner-Trustee under the Trust Agreement harmless from all taxes (income, gross receipts, franchise, sales, use, property [real or personal, tangible or intangible] and stamp taxes), assessments, fees and charges of any nature whatsoever, together with any penalties, fines, additions to tax or interest thereon, howsoever imposed, whether levied or imposed upon the Owner-Trustee, the Owner, the Vendor, the Investors, the Lessee, the trust estate created by the Trust Agreement or otherwise, by any Federal, state or local government or governmental subdivision in the United States or by any foreign country or subdivision thereof, upon or with respect to: any Unit or any part thereof; the manufacture, purchase, ownership, delivery, leasing, possession, use, operation, transfer of title, return or other disposition thereof; the rentals, receipts or earnings arising therefrom or value added thereto; this Lease, the Lease Assignment, the Consent, the Trust Agreement, the Participation Agreement, the CSA or the CSA Assignment, any payment made pursuant to any such agreement, or the property, the income or other proceeds received with respect to property held in trust by the Owner-Trustee under the Trust Agreement (all such taxes, assessments, fees, charges, penalties, fines, additions to tax and interest imposed as aforesaid being hereinafter called "Taxes"); excluding, however: (i) Taxes of the United States or of any state or political subdivision thereof and (if and to the extent that any such tax is currently creditable against United States Federal income taxes whether or not actually allowed as a credit with respect to any person indemnified hereunder) of any foreign country or subdivision thereof, imposed on or measured solely by the net income or excess profits of the Owner-Trustee, the Owner, the Investors or the Vendor, or franchise or value added tax to the extent adopted in substitution thereof, other than Taxes arising out of or imposed in respect of the receipt of indemnification payments

pursuant to this Lease or gross receipts taxes which are in lieu of a property tax; provided that such Taxes of any foreign country or subdivision thereof incurred as a result of the indemnified party being taxed by such foreign country or jurisdiction on its worldwide income without regard to the transactions contemplated by this Lease shall be excluded whether or not the indemnified party is currently allowed a credit against its United States Federal income taxes; (ii) any Taxes imposed as a direct result of a voluntary transfer or other voluntary disposition by the Owner or any transfer or disposition by the Owner resulting from bankruptcy or other proceedings for the relief of creditors in which the Owner is the debtor, whether voluntary or involuntary, of any interest in any Unit or interest in rentals under this Lease or in the Trust Estate (as defined in the Trust Agreement) without the consent of the Lessee, unless, in each case, such transfer or disposition is required or contemplated by this Lease or an Event of Default shall have occurred and be continuing; and (iii) any Taxes imposed on or measured by any trustee fees received by the Owner-Trustee or any compensation received by the Vendor; provided, however, that the Lessee shall not be required to pay any Taxes during the period it may be contesting the same in the manner provided in the next succeeding paragraph. The Lessee further agrees to pay on or before the time or times prescribed by law any tax imposed on or measured solely by the net income of the Lessee (or the affiliated group, within the meaning of section 1504 of the Internal Revenue Code of 1954, as amended, of which the Lessee is a member) under the laws of the United States or of any state or political subdivision thereof, or of any foreign country or subdivision thereof which, if unpaid, might result in a lien or other encumbrance upon any Unit; provided, however, that the Lessee shall not be required to pay any such tax during the period it may be contesting the same. The amount which the Lessee shall be required to pay with respect to any taxes indemnified against pursuant to this § 6 shall be an amount sufficient to restore the indemnified party to the same position such indemnified party would have been in had such Taxes not been imposed.

If claim is made against any indemnified party for any Taxes indemnified against under this § 6, such party shall promptly notify the Lessee. If reasonably requested by the Lessee in writing, such indemnified party shall, upon receipt of indemnity satisfactory to it for all costs, expenses, losses, legal and accountants' fees and disbursements, penalties, fines, additions to tax and interest, and at the expense of the Lessee, contest in good

faith the validity, applicability or amount of such Taxes by (a) resisting payment thereof if possible, (b) not paying the same except under protest, if protest is necessary and proper, and (c) if payment is made, using reasonable efforts to obtain a refund thereof in appropriate administrative or judicial proceedings, or both. The Lessee may also contest, at its own expense, the validity, applicability or amount of such Taxes in the name of such indemnified party; provided that no proceeding or action relating to such contest shall be commenced (nor shall any pleading, motion, brief or other paper be submitted or filed in the name of such indemnified party in any such proceeding or action) without the prior written consent of such indemnified party, which consent shall not be unreasonably withheld. If such indemnified party shall obtain a refund of all or any part of such Taxes previously reimbursed by the Lessee in connection with any such contest or an amount representing interest thereon applicable to the amount paid by the Lessee and the period of such payment, such indemnified party shall pay to the Lessee the amount received from the Lessee in respect of such refund or interest net of expenses; provided, however, that no Event of Default and no event which, with notice or lapse of time or both, would constitute an Event of Default shall have occurred and be continuing.

If any person indemnified hereunder shall be allowed a credit for any foreign taxes for which the Lessee shall have reimbursed such indemnified party, such indemnified party shall pay to the Lessee the amount of such credit, plus an amount equal to any tax benefits realized by such indemnified party as a result of any payment to the Lessee pursuant to this sentence.

For purposes of this paragraph, in determining the order in which the indemnified party utilizes withholdings or other foreign taxes as a credit against such indemnified party's United States income taxes, such indemnified party shall be deemed to utilize tax credits in the following order: (i) all foreign taxes arising in connection with its business other than equipment lease transactions, (ii) all foreign taxes arising from lease transactions entered into prior to the transactions contemplated hereby, (iii) all foreign taxes arising from this lease transaction and (iv) all foreign taxes arising in connection with lease transactions entered into after the transactions contemplated hereby.

In case any report or return is required to be made with respect to any obligation of the Lessee under this § 6 or arising out of this § 6, except obligations resulting from the second sentence of the first paragraph of this § 6, the Lessee shall either make such report or return in such manner as will show the interests of the Owner-Trustee in the Units, or shall promptly notify the Owner-Trustee, the Owner and the Vendor of such requirement and shall make such report or return in such manner as shall be reasonably satisfactory to the Owner-Trustee, the Vendor and the Owner. All costs and expenses (including legal and accountants' fees) of preparing any such return or report shall be borne by the Lessee.

All the obligations of the Lessee under this § 6 shall survive and continue, notwithstanding the expiration of the Lease. All amounts payable by the Lessee pursuant to this § 6 shall be payable directly to the indemnified party entitled to indemnification, except to the extent paid to a governmental agency or taxing authority.

The Lessee shall furnish promptly upon request, such information and data as is normally available to the Lessee and which the Owner-Trustee, the Vendor or the Owner reasonably may require to permit compliance with the requirement of any taxing authority.

§ 7. PAYMENT FOR CASUALTY OCCURRENCES, INSURANCE

7.1. Definition of Casualty Occurrence;
Payments. In the event that any Unit shall be or become worn out, lost, stolen, destroyed, irreparably damaged, or permanently rendered unfit for use from any cause whatsoever, or taken or requisitioned by condemnation or otherwise resulting in loss of possession by the Lessee for a period of 90 consecutive days, except requisition for use by the United States Government ("Government") for a period not in excess of the then remaining term of this Lease (such occurrences being hereinafter called Casualty Occurrences) during the term of this Lease, or until such Unit shall have been returned in the manner provided in § 11 or 13 hereof, the Lessee shall within ten days after it

shall have reasonably determined that such Unit has suffered a Casualty Occurrence notify the Owner-Trustee and the Vendor with respect thereto specifying the date, cause and extent of such Casualty Occurrence. On the semiannual rental payment date next succeeding the delivery of such notice (or, in the event the term of this Lease has already expired or will expire within 10 days after delivery of such notice, on a date within 10 days of such delivery), the Lessee shall pay to the Owner-Trustee an amount equal to the rental payment or payments in respect of such Unit due and payable on such date plus a sum equal to the Casualty Value (as defined in the next sentence) of such Unit as of the date of such payment in accordance with the schedule referred to hereafter. The Casualty Value of each Unit as of the payment date on which payment is to be made as aforesaid shall be that percentage of the Purchase Price of such Unit as is set forth in Schedule B hereto opposite such date. Upon the making of such payment by the Lessee in respect of any Unit, the rental for such Unit shall cease to accrue as of the date of such payment, the term of this Lease as to such Unit shall terminate and (except in the case of the loss, theft or complete destruction of such Unit) the Owner-Trustee shall be entitled to recover possession of such Unit at its own expense.

If the date upon which the making of such payment by the Lessee in respect of any Unit as required as aforesaid shall be after the term of this Lease in respect of such Unit has expired, no rental for such Unit shall accrue after the end of such term but the Lessee, in addition to paying the Casualty Value for such Unit shall pay interest thereon from the end of such term to the date of such payment at the rate of 14% per annum. However, if the Casualty Occurrence occurs after the Lease Term has expired, the Lessee shall pay interest thereon at the rate of 14% per annum commencing 10 days after such Casualty Occurrence to the date of such payment.

7.2. Lessee Agent for Disposal. The Owner-Trustee hereby appoints the Lessee its agent to dispose of any Unit suffering a Casualty Occurrence or any component thereof, before or after the expiration of this Lease, at the best price obtainable by the Lessee upon exercise of reasonable efforts on an "as is, where is" basis and will pay the Lessee's reasonable expenses for such disposal. Provided that the Lessee has previously paid the Casualty Value to the Owner-Trustee and is not in default hereunder, the Lessee shall be entitled to the proceeds of such disposition to the extent they do not exceed the Casualty Value of such Unit, and shall pay any excess to the Owner-Trustee.

7.3. Requisition by United States Government.

In the event of the requisition for use by the Government of any Unit for a period which does not exceed the term of this Lease, all the obligations of the Lessee under this Lease with respect to such Unit shall continue to the same extent as if such requisition had not occurred. All payments received by the Owner-Trustee or the Lessee from the Government for the use of such Unit during the term of this Lease shall be paid over to, or retained by, the Lessee provided no Event of Default (or other event which after notice or lapse of time or both would become an Event of Default) shall have occurred and be continuing.

7.4. No Release. Except as hereinabove in this § 7 provided, the Lessee shall not be released from its obligations hereunder in the event of, and shall bear the risk of, any Casualty Occurrence to any Unit from and after delivery and acceptance thereof by the Lessee hereunder until expiration of this Lease and Lessee's obligations under §§ 11 and 13 hereof.

7.5. Insurance. The Lessee shall, at all times prior to the return of the Equipment to the Owner-Trustee, at its own expense, cause to be carried and maintained public liability insurance and property insurance in respect of the Units, naming the Owner-Trustee, the Owner and the Vendor as additional named insureds as their interests may appear, at least in amounts and against risks customarily insured against by the Lessee in respect of similar equipment owned by it; provided, however, that, subject to availability, the amount of such public liability coverage shall not, at any time, be less than \$20 million per occurrence.

The Lessee shall obtain from each insurer under the paragraph immediately above an agreement, by endorsement or separate instrument, that such insurer will give the Owner-Trustee, the Owner and the Vendor 30 days' written notice before such insurer's policy shall be materially altered or canceled or not renewed. In January of each year, the Lessee shall deliver to the Owner-Trustee, the Owner and the Vendor a certificate of insurance by or on behalf of each insurer stating the coverage, named insureds and limits of each such policy. Any policies of insurance

carried in accordance with this paragraph shall in addition waive any right to claim premiums or commissions against the Owner, the Owner-Trustee and the Vendor and, in the event such policies shall contain breach of warranty provisions, such policies shall provide that in respect of the interests of the Owner-Trustee, the Owner and the Vendor in such policies the insurance shall not be invalidated by any action or inaction of the Lessee or any other person (other than the Owner-Trustee, the Owner and the Vendor, respectively) and shall insure the Owner-Trustee, the Owner and the Vendor regardless of any breach or violation of any warranty, declaration or condition contained in such policies by the Lessee or by any other person (other than the Owner-Trustee, the Owner or the Vendor, respectively).

7.6. Insurance Proceeds and Condemnation Payments. If the Owner-Trustee shall receive (directly or from the Vendor) any insurance proceeds from a policy or policies obtained by the Lessee or condemnation payments in respect of such Units suffering a Casualty Occurrence, the Owner-Trustee shall pay forthwith such proceeds or condemnation payments to the Lessee up to an amount equal to the Casualty Value with respect to any Unit theretofore paid by the Lessee and any balance of such proceeds or condemnation payments shall remain the property of the Owner-Trustee; provided, however, that no Event of Default shall have occurred and be continuing and the Lessee shall have made payment of the Casualty Value thereof, and accrued rentals in respect of such Units, to the Owner-Trustee.

7.7. Economic Obsolescence. During the original term of this Lease, in the event that the Lessee shall, in its reasonable judgment, determine that all the Units remaining under this Lease have become economically obsolete or surplus to the Lessee's and its subsidiaries' requirements in the Lessee's and its subsidiaries' business and an officer of the Lessee shall have provided a certificate to such effect to the Owner-Trustee and the Agent, the Lessee shall have the right, at its option and on at least 120 days' prior written notice to the Owner-Trustee, to terminate (which act shall hereinafter be called the "Termination") this Lease as to not less than all such Units as of any succeeding rental payment date specified in such notice occurring more than 120 days thereafter (such termination date so specified being hereinafter called the "Termination Date"); provided, however, that

(i) the Termination Date shall not be earlier than the 14th semiannual rental payment date, (ii) no Event of Default or other event which after the lapse of time or the giving of notice or both would become an Event of Default shall have occurred and be continuing on such date and (iii) on the Termination Date all Units shall be in the condition required for redelivery pursuant to § 13 hereof.

During the period after the giving of such notice until the fifth business day preceding the Termination Date, the Lessee shall use its best efforts to obtain bids for the purchase of each such Unit, and the Lessee shall at least five business days prior to such Termination Date certify to the Owner-Trustee the amount of each such bid and the name and address of the party (which shall not be a corporation, other entity or individual affiliated with the Lessee or any party for whom the Lessee or any such affiliate intends thereafter to lease such Unit) submitting such bid. On the Termination Date the Owner-Trustee shall sell each such Unit for cash to the bidder who shall have submitted the highest bid prior to the Termination Date. The total sale price realized at each such sale shall be retained by the Owner-Trustee.

On such Termination Date, the Lessee shall pay to the Owner-Trustee with respect to each such Unit an amount equal to (i) the excess, if any, of the Termination Value (as hereinafter defined) for each such Unit computed as of such date over the sale price of any such Unit so sold after the deduction of all expenses incurred by the Owner-Trustee in connection with such sale and (ii) the rental payment with respect to each such Unit due on such Termination Date. The Termination Value of each such Unit as of the Termination Date on which payment is to be made shall be equal to that percentage of the Purchase Price of such Unit as is set forth in Schedule C hereto opposite such date. In no event shall the aggregate amount of sale proceeds retained by the Owner-Trustee and payments of rental and Termination Value received by the Owner-Trustee as aforesaid be less than the Termination Value (as defined in Section 7.4 of the CSA) with respect to such Units as of such Termination Date.

If no sale of the Units shall occur on the Termination Date with respect thereto as provided above,

this Lease shall continue in full force and effect without change.

Subject to the receipt by the Owner-Trustee on the Termination Date of the amounts above described, the obligation of the Lessee to pay rent pursuant to § 3 hereof in respect of such Unit on each rental payment date shall continue to and include the Termination Date but shall then terminate. The Owner-Trustee shall be under no duty to solicit bids, to inquire into the efforts of the Lessee to obtain bids or otherwise to take any action or incur any cost or expense in connection with any sale other than to transfer or to cause to be transferred all the Owner-Trustee's right, title and interest in and to such Unit to the purchaser named in the highest bid certified by the Lessee to the Owner-Trustee as above provided. Any such sale shall be free and clear of all the Lessee's rights to such Unit, but otherwise shall be made without warranties other than against the Owner-Trustee's acts.

If the Lessee shall exercise its option to effect a Termination, the Owner-Trustee may, notwithstanding such election by the Lessee, by written notice to the Lessee, the Agent and the Investors given within 60 days after the termination notice is given to the Owner-Trustee and upon satisfaction and discharge of the Owner-Trustee's obligations under the CSA with respect to any such Unit, elect to retain such Unit. In the event the Owner-Trustee shall so elect to retain such Unit and delivers to the Lessee evidence of the satisfaction and discharge of the Owner-Trustee's obligations under the CSA with respect to such Unit, the Lessee shall not be obligated to pay the Termination Value to the Owner-Trustee and the Lessee shall deliver such Unit to the Owner-Trustee in accordance with the provisions of § 13 hereof.

§ 8. REPORTS

On or before April 30 in each year, commencing with April 30, 1982, the Lessee will furnish to the Owner-Trustee, the Owner and the Vendor an accurate statement (a) setting forth as at the preceding December 31 the amount, description and numbers of all Units then leased hereunder and covered by the CSA, the amount, description and numbers of all Units that have suffered a Casualty Occurrence during the preceding calendar year (specifying

the dates of such Casualty Occurrences) or to the knowledge of the Lessee are then undergoing repairs (other than running repairs) or are then withdrawn from use pending repairs (other than running repairs) and such other information regarding the condition and state of repair of the Units as the Owner-Trustee or the Vendor may reasonably request and (b) stating that, in the case of all Units repainted or repaired during the period covered by such statement, the numbers and the markings required by § 5 hereof and the CSA have been preserved or replaced. The Owner-Trustee shall, at its sole cost and expense, have the right by its agents to inspect the Units and the Lessee's records with respect thereto at such reasonable times as the Owner-Trustee may request as may be reasonably necessary to confirm to the Owner-Trustee the existence of proper maintenance of the Units during the continuance of this Lease.

§ 9. DISCLAIMER OF WARRANTIES;
COMPLIANCE WITH LAWS AND RULES;
MAINTENANCE; INDEMNIFICATION

9.1. Disclaimer of Warranties. NEITHER THE OWNER-TRUSTEE NOR THE OWNER MAKES, HAS MADE OR SHALL BE DEEMED TO MAKE OR HAVE MADE ANY WARRANTY OR REPRESENTATION, EITHER EXPRESS OR IMPLIED, AS TO THE DESIGN, COMPLIANCE WITH SPECIFICATIONS, OPERATION OR CONDITION OF, OR AS TO THE QUALITY OF THE MATERIAL, EQUIPMENT OR WORKMANSHIP IN, THE UNITS OR ANY COMPONENT THEREOF DELIVERED TO THE LESSEE HEREUNDER, AND NEITHER THE OWNER-TRUSTEE NOR THE OWNER MAKES ANY WARRANTY OF MERCHANTABILITY OR FITNESS OF THE UNITS OR ANY COMPONENT THEREOF FOR ANY PARTICULAR USE OR PURPOSE NOR AS TO TITLE TO THE UNITS OR ANY COMPONENT THEREOF, NOR ANY OTHER REPRESENTATION OR WARRANTY, EXPRESS OR IMPLIED, WITH RESPECT TO ANY UNIT OR ANY COMPONENT THEREOF (EITHER UPON DELIVERY THEREOF TO THE LESSEE OR OTHERWISE), it being agreed that all such risks, as between the Owner-Trustee and the Lessee, are to be borne by the Lessee; but the Owner-Trustee hereby irrevocably appoints and constitutes the Lessee its agent and attorney-in-fact during the term of this Lease to assert and enforce from time to time, in the name of and for the account of the Owner-Trustee and/or the Lessee, as their interests may appear, at the Lessee's sole cost and expense, whatever claims and rights the Owner-Trustee may have against Trinity or any other person, including, but not limited to, any claims and rights arising under the provisions of the CSA. The Owner-Trustee and the Owner shall not have any responsibility or liability to the Lessee or any other

person or entity with respect to any of the following: (i) any liability, loss or damage caused or alleged to be caused directly or indirectly by any Units or by any inadequacy thereof or deficiency or defect therein or by any other circumstance in connection therewith; (ii) the use, operation or performance of any Units or any risks relating thereto; (iii) any interruption of service, loss of business or anticipated profits or consequential damages; or (iv) the delivery, operation, servicing, maintenance, repair, improvement or replacement of any Units. The Lessee's delivery of a Certificate of Acceptance shall be conclusive evidence as between the Lessee and the Owner-Trustee that the Units described therein are in all the foregoing respects satisfactory to the Lessee, and the Lessee will not assert any claim of any nature whatsoever against the Owner or the Owner-Trustee based on any of the foregoing matters.

9.2. Compliance with Laws and Rules. The Lessee agrees, for the benefit of the Owner-Trustee, the Owner and the Vendor, to comply in all respects (including, without limitation, with respect to the use, maintenance and operation of each Unit) with all laws of the jurisdictions in which its operations involving the Units may extend, with the interchange rules of the Association of American Railroads and with all lawful rules of the United States Department of Transportation, the Interstate Commerce Commission and any other legislative, executive, administrative or judicial body exercising any power or jurisdiction over the Units ("Applicable Laws"), to the extent that such laws and rules affect the title, operation or use of the Units and in the event that such laws or rules require any alteration, replacement, modification or addition of or to any part of any Unit, the Lessee will fully conform therewith at its own expense; provided, however, that the Lessee may, in good faith, contest the validity or application of any such law or rule in any reasonable manner which does not, in the opinion of the Owner-Trustee or the Vendor, adversely affect the property or rights of the Owner-Trustee or the Vendor under this Lease or under the CSA.

9.3. Maintenance. The Lessee agrees that, at its own cost and expense, it will maintain and keep each Unit (including any parts installed on or replacements made to any Unit and considered an accession thereto as hereinbelow provided) which is subject to this Lease in

good operating order and repair, ordinary wear and tear excepted. Except for alterations or changes required by law, the Lessee shall not, without the prior written approval of the Owner-Trustee, effect any permanent structural change in the design, construction or body of the Units or appurtenances thereto which will materially change the use for which the Equipment is intended.

9.4. Additions and Accessions. The Lessee and its affiliates, at their own cost and expense, may from time to time make such alterations, modifications and additions (including, without limitation, any special devices or assemblies at any time attached or affixed to any Unit, the cost of which is not included in the Purchase Price of such Unit and which are not required for the operation or use of such Unit by the Interstate Commerce Commission, the United States Department of Transportation or any other legislative, executive, administrative or judicial body exercising any power or jurisdiction over such Unit) (hereinafter collectively called Additions) to the Units as the Lessee may deem desirable in the proper conduct of its business so long as such Additions shall not be inconsistent with the continuing operation of the Units in accordance with their original conventional purpose and shall not diminish the value, utility or condition of the Units below the value, utility and condition thereof immediately prior to the making of such Additions, assuming the Units were then in the condition required to be maintained by the terms of this Lease.

Title to all Parts (as hereinbelow defined) incorporated in or installed as part of the Units shall without further act vest in the Owner-Trustee and the Vendor as their respective interests may appear in the Unit itself in the following cases: (i) such Part is in replacement of or in substitution for, and not in addition to, any Part originally incorporated in or installed as part of a Unit at the time of the acceptance thereof hereunder or any Part in replacement of, or in substitution for, any such replaced or substituted Part, (ii) such Part is required to be incorporated in or installed as part of the Unit pursuant to the terms of § 9.2 or § 9.3 hereof, or (iii) notwithstanding the provisions of the first paragraph of this § 9.4, such Part cannot be readily removed from the Unit to which it relates without material damage thereto

and without diminishing or impairing the value or utility which such Unit shall have had at such time had such alteration or addition not occurred. In all other cases, if no Event of Default under § 10 hereof (or other event which after lapse of time or notice or both would constitute an Event of Default) shall have occurred and be continuing, title to Parts incorporated in or installed as parts of the Units as a result of such alterations or additions shall vest in the Lessee. The term Part for the purposes of this paragraph and § 13 hereof shall be defined to include any appliance, part, instrument, accessory, furnishing or other equipment of any nature which may from time to time be incorporated in or installed as part of any Unit.

9.5. Indemnification. The Lessee shall pay, and shall protect, indemnify and hold the Owner-Trustee (as trustee and in its individual capacity), the Owner and the Vendor, and their respective successors, assigns, agents and servants (hereinafter called Indemnified Persons), harmless from and against any and all causes of action, suits, penalties, claims, demands or judgments, of any nature whatsoever which may be imposed on, incurred by or asserted against any Indemnified Person (including any or all liabilities, obligations, damages, costs, disbursements, expenses [including without limitation attorneys' fees and expenses of any Indemnified Person] relating thereto) in any way relating to or arising or alleged to arise out of this Lease or any of such Indemnified Person's Documents (as defined in the Participation Agreement) or the Units, including without limitation those in any way relating to or arising or alleged to arise out of (i) the manufacture, construction, purchase, acceptance, rejection, ownership, delivery, nondelivery, lease, possession, use, operation, condition, sale, return or other disposition of any Unit or portion thereof; (ii) any latent or other defects whether or not discoverable by any Indemnified Person or the Lessee; (iii) any claim for patent, trademark or copyright infringement; (iv) any claims based on strict liability in tort; (v) any injury to or the death of any person or any damage to or loss of property on or near the Units or in any manner growing out of or concerned with, or alleged to grow out of or be connected with, the ownership, use, replacement, adaptation or maintenance of

the Units or of any other equipment in connection with the Units (whether owned or under the control of the Owner-Trustee, the Lessee or any other person) or resulting or alleged to result from the condition of any thereof; and (vi) any violation, or alleged violation, of any provision of this Lease or any Document or of any agreement, law, rule, regulation, ordinance or restriction, affecting or applicable to the Units or the leasing, ownership, use, replacement, adaptation or maintenance thereof (all of the foregoing being herein called "Indemnified Matters"). The Lessee shall not be responsible to an Indemnified Person, other than the Owner-Trustee, under this § 9.5 with respect to any claim to the extent that such claim arises from the Indemnified Person's own default or own negligence. In the case of the Owner-Trustee, the Lessee will not be responsible to the extent such claim arises from the Owner-Trustee's gross negligence or wilful misconduct. The Lessee shall be obligated under this § 9, irrespective of whether any Indemnified Person shall also be indemnified with respect to the same matter under any other agreement by any other person, and the Indemnified Person seeking to enforce the indemnification may proceed directly against the Lessee under this § 9 without first resorting to any such other rights of indemnification. In case any action, suit or proceeding is brought against any Indemnified Person in connection with any claim indemnified against hereunder, the Lessee may and, upon the request of such Indemnified Person will, at the expense of the Lessee resist and defend such action, suit or proceeding, or cause the same to be resisted or defended by counsel selected by the Lessee and approved by such Indemnified Person, as the case may be, and, in the event of any failure by the Lessee so to do, the Lessee shall pay all costs and expenses (including without limitation reasonable attorneys' fees and expenses) incurred by such Indemnified Person in connection with such action, suit or proceeding. In the event the Lessee is required to make any payment under this § 9, the Lessee shall pay such Indemnified Person an amount which, after deduction of all taxes required to be paid by such Indemnified Person in respect of the receipt thereof under the laws of the United States or of any political subdivision thereof (after giving credit for any savings in respect of any such taxes by reason of deductions, credits or allowances in respect of the payment of the expense indemnified against, and of any other such taxes as reasonably determined in the sole discretion of the Indemnified Person), shall be equal to the amount of such payment. The Lessee and the Owner-

Trustee each agrees to give each other promptly upon obtaining knowledge thereof written notice of any claim or liability hereby indemnified against. Upon the payment in full of any indemnities as contained in this § 9 by the Lessee, and provided that no Event of Default (or other event which with lapse of time or notice or both would constitute an Event of Default) shall have occurred and be continuing, it shall be subrogated to any right of such Indemnified Person in respect of the matter against which indemnity has been given. Any payments received by such Indemnified Person from any person (except the Lessee) as a result of any matter with respect to which such Indemnified Person has been indemnified by the Lessee pursuant to this § 9 shall be paid over to the Lessee to the extent necessary to reimburse the Lessee for indemnification payments previously made in respect of such matter but only after such Indemnified Person has been indemnified in full.

The Lessee further agrees to indemnify, protect and hold harmless the Vendor, the Owner and the Owner-Trustee, as third-party beneficiaries hereof, from and against any and all liability, claims, costs, charges and expenses, including royalty payments and counsel fees, in any manner imposed upon or accruing against the Vendor, the Owner or the Owner-Trustee because of the use in or about the construction or operation of any of the Equipment of any article or material specified by the Lessee, the Owner-Trustee or the Owner and not manufactured by Trinity or of any design, system, process, formula or combination specified by the Lessee, the Owner-Trustee, or the Owner and not developed or purported to be developed by Trinity which infringes or is claimed to infringe on any patent or other right.

9.6. Survival. The indemnities contained in this § 9 shall survive the expiration or termination of this Lease with respect to all events, facts, conditions or other circumstances occurring or existing prior to such expiration or termination and are expressly made for the benefit of, and shall be enforceable by, any Indemnified Person. None of the indemnities in this § 9 shall be deemed to create any rights of subrogation which do not already exist in any insurer or third party against the Lessee therefor, from or under any Indemnified Person, whether because of any claim paid or defense provided for the benefit thereof or otherwise.

9.7. Payments for Indemnification. All payments hereunder shall be made directly to the Indemnified Person.

9.8. Reports. The Lessee agrees at its expense to prepare and deliver to the Owner-Trustee within a reasonable time prior to the required date of filing (or, to the extent permissible, file on behalf of the Owner-Trustee) any and all reports (other than income tax returns) to be filed by the Owner-Trustee with any Federal, state or other regulatory authority by reason of the ownership by the Owner-Trustee or the Owner of the Units or the leasing thereof to the Lessee.

§ 10. DEFAULT

10.1. Events of Default; Remedies. If, during the continuance of this Lease, one or more of the following events (each such event being herein sometimes called an Event of Default) shall occur:

(a) payment of any part of the rental provided in § 3 hereof or payment in respect of any Casualty Occurrence pursuant to § 7 hereof shall not be made by the Lessee when such payment is due and such default shall continue for 12 days;

(b) default shall be made in the observance or performance of any other of the covenants, conditions and agreements on the part of the Lessee contained herein, in the Participation Agreement or the Consent, and such default shall continue for 30 days after written notice from the Owner-Trustee or the Vendor to the Lessee specifying the default and demanding that the same be remedied, unless, at the end of such 30-day period and thereafter for so long as, the Lessee shall in good faith be diligently proceeding to cure such default and the resulting delay does not materially prejudice the rights of the Owner-Trustee;

(c) the Lessee shall make or permit any unauthorized assignment or transfer of this Lease, or any interest herein, or of the right to possession of the Units, or any thereof;

(d) a petition for reorganization under Title 11 of the United States Code, as now constituted or as hereafter amended, shall be filed by or against the Lessee and, unless such petition shall have been dismissed, nullified, stayed or otherwise rendered ineffective (but then only so long as such stay shall continue in force or such ineffectiveness shall continue), all the obligations of the Lessee under this Lease, the Consent and the Indemnity Agreement (as defined in the Participation Agreement) shall not have been and shall not continue to be duly assumed in writing within 60 days after such petition shall have been filed, pursuant to a court order or decree, by a trustee or trustees appointed (whether or not subject to ratification) in such proceedings in such manner that such obligations shall have the same status as expenses of administration and obligations incurred by such trustee or trustees;

(e) any proceedings shall be commenced by or against the Lessee for any relief which includes, or might result in, any modification of the obligations of the Lessee under this Lease, the Participation Agreement, the Consent or the Indemnity Agreement, under any bankruptcy or insolvency laws, or laws relating to the relief of debtors, readjustments of indebtedness, reorganizations, arrangements, compositions or extensions (other than a law which does not permit any readjustments of the obligations of the Lessee hereunder) and, unless such proceedings shall have been dismissed, nullified, stayed or otherwise rendered ineffective (but then only so long as such stay shall continue in force or such ineffectiveness shall continue), all the obligations of the Lessee under this Lease, the Participation Agreement, the Consent and the Indemnity Agreement shall not have been and shall not continue to be duly assumed in writing, pursuant to a court order or decree, by a trustee or trustees or receiver or receivers appointed in such proceedings in such manner that such obligations shall have the same status as obligations incurred by such a trustee or trustees or receiver or receivers, within 60 days after such proceedings shall have been commenced; or

(f) an event of default set forth in Article 16 of the CSA shall have occurred arising out of any default by the Lessee in performing any of its obligations hereunder or under its Documents (as defined in the Participation Agreement);

then, in any such case, the Owner-Trustee, at its option, may,

(aa) proceed by appropriate court action or actions, either at law or in equity, to enforce performance by the Lessee of the applicable covenants of this Lease or to recover damages for the breach thereof; or

(bb) by notice in writing to the Lessee terminate this Lease, whereupon all rights of the Lessee to the use of the Units shall absolutely cease and terminate as though this Lease had never been made, but the Lessee shall remain liable under this Lease to the extent that this Lease provides that the obligations of the Lessee survive the termination or expiration hereof; and thereupon the Owner-Trustee may by its agents enter upon the premises of the Lessee or other premises where any of the Units may be and take possession of all or any of such Units and thenceforth hold, possess, sell, operate, lease to others and enjoy the same free from any right of the Lessee, or its successors or assigns, to use the Units for any purposes whatever and without any duty to account to the Lessee for such action or inaction or for any proceeds arising therefrom; but the Owner-Trustee shall, nevertheless, have a right to recover from the Lessee any and all amounts which under the terms of this Lease may be then due or which may have accrued to the date of such termination (computing the rental for any number of days less than a full rental period by multiplying the rental for such full rental period by a fraction of which the numerator is such number of days and the denominator is the total number of days in such full rental period) and also to recover forthwith from the Lessee as damages for loss of a bargain and not as a penalty, whichever of the following amounts the Owner-Trustee, in its sole discretion, shall specify: (x) a sum with respect to each Unit which represents the excess of (1) the present value, at the time of such termination, of the entire unpaid balance of all rental for such Unit which would otherwise have accrued hereunder from the date of such termination to the end of the term of this Lease as to such Unit over (2) the then present value of the

rentals which the Owner-Trustee reasonably estimates to be obtainable for the Unit during such period, such present value to be computed in each case on the basis of a 10% per annum discount, compounded semiannually from the respective dates upon which rentals would have been payable hereunder had this Lease not been terminated, together with any damages and expenses, including reasonable attorneys' fees, in addition thereto which the Owner-Trustee shall have sustained by reason of the breach of any covenant, representation or warranty of this Lease other than for the payment of the rental; or (y) an amount equal to the excess, if any, of the Casualty Value as of the rental payment date on or next preceding the date of termination over the amount the Owner-Trustee reasonably estimates to be the sales value (after deduction of all estimated expenses of such sale) of such Unit at such time; provided, however, that in the event the Owner-Trustee shall have sold any Unit, the Owner-Trustee, in lieu of collecting any amounts payable to the Owner-Trustee by the Lessee pursuant to the preceding clauses (x) and (y) of this part (bb) with respect to such Unit, shall demand that the Lessee pay the Owner-Trustee and the Lessee shall pay to the Owner-Trustee on the date of such sale, as liquidated damages for loss of a bargain and not as a penalty, an amount equal to the excess, if any, of the Casualty Value for such Unit, as of the rental payment date on or next preceding the date of termination, over the net proceeds of such sale.

In addition, the Lessee shall be liable, except as otherwise provided above, for any and all unpaid amounts due hereunder before, during or after the exercise of any of the foregoing remedies and for all reasonable attorneys' fees and other costs and expenses incurred by reason of the occurrence of any Event of Default or the exercise of the remedies of the Owner and the Owner-Trustee with respect thereto, including all costs and expenses incurred in connection with the return of any Unit.

10.2. Remedies Not Exclusive; Waiver. The remedies in this Lease provided in favor of the Owner and the Owner-Trustee shall not be deemed exclusive, but shall be cumulative, and shall be in addition to all other remedies

in its favor existing at law or in equity. The Lessee hereby waives any requirements of law, now or hereafter in effect, which might limit or modify the remedies herein provided, to the extent that such waiver is permitted by law. The Lessee hereby waives any and all existing or future claims to any offset against the rental payments due hereunder, and agrees to make rental payments regardless of any offset or claim which may be asserted by the Lessee or on its behalf.

10.3. Failure To Exercise Rights is not Waiver. The failure of the Owner-Trustee to exercise the rights granted it hereunder upon the occurrence of any of the contingencies set forth herein shall not constitute a waiver of any such right upon the continuation or recurrence of any such contingencies or similar contingencies, and a waiver of any such right on one occasion shall not constitute a waiver of such right as to any other occasion and shall not be effective unless in writing signed by the Owner-Trustee.

10.4. Notice of Event of Default to Owner-Trustee. The Lessee also agrees to furnish the Owner-Trustee, the Owner and the Vendor, promptly upon any responsible officer becoming aware of any condition which constitutes an Event of Default under this Lease or which, after notice or lapse of time or both, would constitute such an Event of Default, written notice specifying such condition and the nature and status thereof. For the purposes of this Section, a "responsible officer" shall mean, with respect to the subject matter of any covenant, agreement or obligation of the Lessee in this Lease contained, any corporate official of the Lessee who in the normal performance of his operational responsibilities would have knowledge of such matter and the requirements of this Lease with respect thereto.

§ 11. RETURN OF UNITS UPON DEFAULT

11.1. Return of Units. If this Lease shall terminate pursuant to § 10 hereof, the Lessee shall forthwith deliver possession of the Units to the Owner-Trustee and shall give prompt telegraphic and written notice to the Association of American Railroads and all railroads having

possession of any Unit so to return such Units. Each Unit returned to the Owner-Trustee pursuant to this § 11 shall (i) be in the condition required by § 9.3 hereof and (ii) meet the standards then in effect under the Interchange Rules of the Association of American Railroads, if applicable. For the purpose of delivering possession of any Unit or Units to the Owner-Trustee as above required, the Lessee shall at its own cost, expense and risk:

(a) forthwith and in the usual manner place such Units upon such storage tracks as shall reasonably be designated by the Owner-Trustee,

(b) cause such units to be stored on such tracks without charge for insurance, rent or storage until such Units have been sold, leased or otherwise disposed of by the Owner-Trustee, but not in any event for longer than 270 days, and

(c) cause the Units to be moved to the nearest interchange point or points as shall be designated by the Owner-Trustee.

The assembling, delivery, storage and transporting of the Units as hereinbefore provided shall be at the expense and risk of the Lessee and are of the essence of this Lease, and, upon application to any court of equity having jurisdiction in the premises, the Owner-Trustee shall be entitled to a decree against the Lessee requiring specific performance of the covenants of the Lessee so to assemble, deliver, store and transport the Units. During any storage period, the Lessee will permit the Owner-Trustee or any person designated by it, including the authorized representative or representatives of any prospective purchaser of any such Unit, to inspect the same. In the event that the Units or any thereof are sold the Lessee shall pay to the Owner-Trustee the per diem interchange for each such Unit which shall not have been assembled, delivered and stored, as hereinbefore provided, by the date of such sale for each day from the date of such sale to the date of delivery to the purchaser thereof.

11.2. Owner-Trustee Appointed Agent of Lessee.
Without in any way limiting the obligation of the Lessee under the foregoing provisions of this § 11, the Lessee

hereby irrevocably appoints the Owner-Trustee as the agent and attorney of the Lessee, with full power and authority, at any time while the Lessee is obligated to deliver possession of any Unit to the Owner-Trustee, to demand and take possession of such Unit in the name and on behalf of the Lessee from whomsoever shall be in possession of such Unit at the time.

§ 12A. ASSIGNMENT; POSSESSION AND USE

12A.1. Assignment; Consent. This Lease shall be assignable in whole or in part by the Owner-Trustee without the consent of the Lessee, provided that such assignee is the Vendor or a financial institution with a combined capital and surplus of at least \$50,000,000, but the Lessee shall not be under any obligation to any assignee of the Owner-Trustee other than the Vendor except upon written notice of such assignment from the Owner-Trustee and no greater obligations will be imposed on the Lessee on account of such assignment. All the rights of the Owner-Trustee hereunder (including, but not limited to, the rights under §§ 6, 7 and 10 and the rights to receive the rentals payable under this Lease) shall inure to the benefit of the Owner (other than indemnities payable to the Owner-Trustee in its individual capacity) and the respective assigns of the Owner and the Owner-Trustee.

12A.2. Lessee's Right To Use the Units. (1) So long as no Event of Default exists hereunder, the Lessee shall be entitled to the possession and use of the Units in accordance with the terms of this Lease and the CSA, subject to the provisions of § 4.2 of this Lease. The Lessee agrees to use the Units solely within the United States of America except that the Lessee may use the Units in Canada if, but only if:

(a) the use of such Units in Canada does not cause such Units to be property which is used predominately outside the United States within the meaning of Section 48(a)(2) of the Internal Revenue Code of 1954, as amended, and

(b) the use of such Units in Canada is exclusively within the provinces of Alberta, Saskatchewan, Ontario and Manitoba and the Lessee does not use or permit any use whatsoever of any Unit in Canada at any time outside of those four provinces;

subject to the limitations in sub-paragraph (a) hereof

WJB
RAS

provided, however, that the Lessee may use such Units in locations in Canada outside of the provinces of Alberta, Saskatchewan, Ontario and Manitoba if the Lessee (i) gives notice to the Vendor and the Owner-Trustee of the Lessee's intent to use the Units in locations in Canada outside of the provinces of Alberta, Saskatchewan, Ontario and Manitoba not less than 30 days prior to the commencement of such use and (ii) prior to such use the Lessee delivers an opinion of counsel to the Vendor and the Owner-Trustee, in form, scope and substance satisfactory to the Vendor and the Owner-Trustee, to the effect that the Lessee has caused all publications, notices and filings to be made as shall be necessary to protect the interest of the Owner-Trustee in the Units in such locations in Canada outside of the provinces of Alberta, Saskatchewan, Ontario and Manitoba and to protect the security interest of the Vendor in the Units and in the income and proceeds of the Equipment while any Units are in such locations in Canada outside of the provinces of Alberta, Saskatchewan, Ontario and Manitoba.

(2) The Lessee shall not assign or transfer its leasehold interest under this Lease in the Units or any of them without the prior written consent of the Trustee and the Agent, except as provided in paragraph (3) of this § 12A.2; and the Lessee shall not part with the possession or control of, or suffer or allow to pass out of its possession or control, any of the Units without the prior written consent of the Owner-Trustee and the Vendor except as provided in said paragraph (3).

(3) So long as no Event of Default exists hereunder, the Lessee shall be entitled to the possession and use of the Units by it or any affiliate upon lines of any railroad or other trackage over which railroad equipment is regularly operated and shall be entitled to permit the use of the Units upon connecting and other carriers in the usual interchange of traffic or pursuant to run-through or trip-lease agreements and to sublease the Units, but only upon and subject to all the terms and conditions of this Lease and the CSA; provided, however, that the Lessee shall not assign, sublease or use or permit the assignment, sublease or use of any Unit except upon the terms and conditions of this Lease and the CSA, nor shall the Lessee assign or sublease to or permit the sublease or use of the Units by any person in whose hands such Units would not qualify as "section 38 property" within the meaning of said Code. Any sublease permitted by this paragraph shall be expressly subordinate to the right and remedies of the Vendor under the CSA and the Owner-Trustee under this Lease in respect of the Units

covered by such sublease and no such sublease shall relieve the Lessee of any of its obligations hereunder which, notwithstanding any such sublease, shall remain in full force and effect.

12A.3. Lessee's Duty To Discharge Encumbrances.

The Lessee, at its own expense, will as soon as possible cause to be duly discharged any lien, charge, security interest or other encumbrance (other than an encumbrance resulting from claims against the Owner-Trustee or the Vendor not related to the ownership or leasing of, or the security interest of the Vendor in, the Units) which may be imposed during the term hereof, during the period the Lessee is obligated to pay rental hereunder or during the period any Unit is in the possession of the Lessee following default, on or with respect to any Unit (including any accession thereto) or the interest of the Owner-Trustee, the Vendor or the Lessee therein; except that this covenant will not be breached by reason of liens, assessments or governmental charges or levies, in each case not due and delinquent, or undetermined or inchoate materialman's, mechanic's, workmen's, repairmen's or other like liens arising in the ordinary course of business in each case not delinquent, and furthermore, the Lessee shall be under no obligation to discharge any such lien, charge, security interest or encumbrance so long as it is contesting the same in good faith and by appropriate legal proceedings and the Owner-Trustee or the Agent advise the Lessee in writing that the failure to discharge the same does not adversely affect the title, property or rights of Owner-Trustee or the Agent under the Documents.

12A.4. Merger, Acquisition or Consolidation.

Nothing in this § 12A shall be deemed to restrict the right of the Lessee to assign or transfer its leasehold interest under this Lease in the Units or possession of the Units to any solvent corporation incorporated under the laws of any state of the United States of America or the District of Columbia (which shall have specifically assumed the obligations of the Lessee hereunder and under the Consent by an appropriate instrument in writing) into or with which the Lessee shall have become merged or consolidated or which shall have acquired the property of the Lessee as an entirety or substantially as an entirety, provided that such assignee or transferee will not, upon the effectiveness of such merger, consolidation or acquisition be in default under any provision of this Lease.

12A.5. Mileage. During the term of this lease the Lessee shall receive, insofar as applicable law and regulations allow, all mileage allowances, rentals and/or compensation payable by carriers by reason of the use of any unit (hereinafter called "mileage") leased to the Lessee hereunder. It is understood and agreed that if for any reason the Owner-Trustee receives any mileage, then (unless an Event of Default shall have occurred and be continuing) the Owner-Trustee shall promptly remit such mileage to the Lessee.

§ 12B. RENEWAL OPTIONS

12B.1. Renewal for Successive Period. The parties hereto contemplate that at the end of the original term of this Lease, the Owner-Trustee will hold the Units for re-lease. Prior to the delivery of the Units pursuant to § 2 hereof, the Owner-Trustee will enter into an agreement ("Option") with Tiger Financial Services, Inc. ("Tiger"), pursuant to which the Owner-Trustee will grant to Tiger the option to lease all but not fewer than all the Units for a one year term ("Tiger's Lease") commencing at the end of the original term of this Lease on such terms as are set forth in the Option and the right to purchase all but not fewer than all the Units at the end of the original term of this Lease and at the end of Tiger's Lease. The Owner-Trustee will give the Lessee prompt written notice in the event that Tiger exercises any of its rights under the Option. In the event that Tiger purchases the Equipment at the end of the original term of this Lease or at the end of Tiger's Lease, the Lessee will have no renewal rights under this Lease. Provided that this Lease has not been earlier terminated and the Lessee is not in default hereunder and no event of default or event which with the lapse of time and/or the demand or the giving of notice provided hereunder could constitute an Event of Default hereunder, and provided that Tiger shall not have exercised its Option, then the Lessee may by written notice delivered to the Owner-Trustee not less than 120 days nor more than 270 days prior to the end of the original term (or the First Extended Term (as hereinafter defined), if any, as applicable) of this Lease elect to extend such term of this Lease in respect of not less than all the Units then covered by this Lease (a) for a period of five years commencing on the scheduled expiration of the original term of this Lease at a "Fair Market Rental" payable, in arrears, in semiannual payments on the day such rentals were payable for the Units during the original term

of this Lease or (b) for a period of three years commencing on the scheduled expiration of the original term of this Lease ("First Extended Term") followed by a period of two years commencing on the scheduled expiration of the First Extended Term at a "Fair Market Rental" (to be determined before each additional term) payable, in arrears, in semi-annual payments on the day such rentals were payable for the Units during the original term of this Lease. In the event that Tiger exercises its Option to lease the Units, then the Lessee may by written notice delivered to the Owner-Trustee not less than 120 days or more than 270 days prior to the end of Tiger's Lease (or the first two year renewal term, if any, as applicable) elect to renew this Lease for all the Units then subject to Tiger's Lease (x) for a period of four years commencing on the scheduled expiration of Tiger's Lease at a "Fair Market Rental" payable, in arrears, in semiannual payments on the day such rentals were payable for the Units in each year of the original term of this Lease or (y) for two additional two-year terms commencing on the scheduled expiration of Tiger's Lease at a "Fair Market Rental" (to be determined before each additional term) payable, in arrears, in semi-annual payments on the day such rentals were payable for the Units during the original term of this Lease. In the event of any such extension or renewal, the Casualty Value payable in respect of a Casualty Occurrence involving any Unit shall be as agreed upon by the Owner-Trustee and the Lessee, and in the event that no agreement is reached, the Casualty Value will be determined according to the procedures outlined in § 12B.2 below regarding Fair Market Rental.

12B.2. Determination of Fair Market Rental.

(1) The Fair Market Rental for any extended term of this Lease shall be equal to the rental which would obtain in an arm's-length transaction between an informed and willing lessee (other than a lessee currently in possession) and an informed and willing lessor under no compulsion to lease, and costs of removal from the location of current use shall not be a deduction from such rental.

(2) If, within 25 days from the giving of notice by the Lessee of the Lessee's election to extend the term of this Lease, the Owner-Trustee and the Lessee are unable to agree upon a determination of the Fair Market Rental of the Units, either party to such determination may give written notice to the other ("Appraisal Notice") requesting determination of such Fair Market Rental by an appraisal procedure. The parties shall consult for the

purpose of appointing a qualified independent appraiser by mutual agreement. If no such appraiser is so appointed within 15 days after the Appraisal Notice, each party shall appoint an appraiser within 20 days after the Appraisal Notice, and the two appraisers so appointed shall within 30 days after the Appraisal Notice appoint a third independent appraiser. If no such third appraiser is appointed within 30 days after the Appraisal Notice, either party may apply to make such appointment to the American Arbitration Association and both parties shall be bound by any appointment so made. Any appraiser or appraisers appointed pursuant to the foregoing procedure shall be instructed to determine the Fair Market Rental of the Units subject to the proposed extended term within 75 days after the Appraisal Notice. If the parties shall have appointed a single appraiser or if either party shall have failed to appoint an appraiser, the determination of Fair Market Rental of the single appraiser appointed shall be final. If 3 appraisers shall be appointed, the determination of the appraiser which differs most from the other 2 appraisers shall be excluded, the remaining 2 determinations shall be averaged and such latter average shall be final and binding upon the parties hereto as the Fair Market Rental. The appraisal proceedings shall be conducted in accordance with the Commercial Arbitration Rules of the American Arbitration Association but not under its auspices as in effect on the date hereof, except as modified hereby. The provision for this appraisal procedure shall be the exclusive means of determining Fair Market Rental and shall be in lieu of any judicial or other procedure for the determination thereof, and each party hereto hereby consents and agrees not to assert any judicial or other procedures. The expenses of the appraisal procedure shall be borne equally by the Lessee and the Owner-Trustee or Tiger, as the case may be.

12C. Right of First Refusal. Provided that this Lease has not been earlier terminated and the Lessee is not in default hereunder and subject to the rights of Tiger to purchase the Units at the end of the original term of this Lease and at the end of Tiger's Lease, in the event the Owner-Trustee elects to sell any Units to third parties at the expiration of the original or extended term of this Lease, the Lessee shall be given written notice of such intention not less than 60 days prior to the expiration of such term. In the event that the Owner-Trustee shall receive, prior to removal of the Units at the end of such

term of the Lease, a bona fide offer in writing from another party unrelated to the Lessee to purchase the Units and the Owner-Trustee elects to sell the Units pursuant to such offer, the Owner-Trustee shall give prompt written notice to the Lessee of such offer. Such notice shall include the price and the terms and conditions of payment offered by the other party in writing to the Owner-Trustee. The Lessee shall have the sole right and option to purchase the Units for cash at the price at which the Units are proposed to be sold or under the other terms and conditions of payment offered by the other party, as hereinafter provided. Within 10 business days of receipt of notice from the Owner-Trustee, the Lessee shall exercise such purchase right by delivery to the Owner-Trustee of a written notice specifying a date of purchase, which date shall not be later than the later of (i) 15 days after the date of delivery of such notice by the Lessee to the Owner-Trustee or (ii) 90 days after the expiration of such term of this Lease. In the event that the Lessee shall have delivered a notice of its election to purchase the Units, this Lease (including the obligation to pay rent) shall be further extended upon the same terms and conditions set forth herein from the date such notice is delivered to the Owner-Trustee until the date of such purchase.

§ 13. RETURN OF UNITS UPON EXPIRATION OF TERM

On or prior to the termination of the term of this Lease (or any renewal pursuant to § 12B hereof) the Lessee will, at its own cost and expense, at the request of the Owner-Trustee, deliver possession of the Units to the Owner-Trustee upon such storage tracks as the Owner-Trustee may reasonably designate (but in no event at more than three locations), or, in absence of such designation, as the Lessee may select, and permit the Owner-Trustee to store such Units on such tracks for a period not exceeding 60 days from the date at which at least 90% of the Units then subject to this Lease are first placed in storage; the assembly, delivery, storage and transporting of such Unit to be at the expense and risk of the Lessee. Arrival of a Unit at the designated point shall constitute "Return" for the purposes hereof. During any such storage period the Lessee will permit the Owner-Trustee or any person designated by it, including the authorized representative or representatives of any prospective purchaser or lessee of such Unit, to

inspect the same at the storage locations; provided, however, that the Lessee shall not be liable except in the case of negligence or intentional act of the Lessee or of its employees or agents and, except to the extent otherwise provided by law, for any injury to or the death of any person exercising, either on behalf of the Owner-Trustee or any prospective purchaser or lessee, the rights of inspection granted under this sentence. The assembly, delivery, storage and transporting of the Units as hereinbefore provided are of the essence of this Lease, and upon application to any court of equity having jurisdiction in the premises, the Owner-Trustee shall be entitled to a decree against the Lessee requiring specific performance of the covenants of the Lessee so to cause the assembly, delivery, storage and transporting of the Units. Each Unit returned to the Owner-Trustee pursuant to this § 13 shall (i) be in the condition required by § 9.3 hereof, (ii) have attached or affixed thereto any part title to which is in the Owner-Trustee pursuant to § 9 hereof and have removed therefrom at the Lessee's expense any part title to which is in the Lessee or any other person pursuant to such § 9 and (iii) meet the standards then in effect under the Interchange Rules of the Association of American Railroads, if applicable, provided that the Lessee shall not be required to make any additions, modifications or improvements which would not be required of the Lessee if the Lessee continued to operate the Units. If any Unit suffers a Casualty Occurrence during any storage period provided for in this § 13, the Lessee shall pay to the Owner-Trustee the Casualty Value of such Unit as determined in accordance with § 7 hereof. The Lessee shall pay rental at the rate of .031674% of the Purchase Price of such Unit per day for any Unit not returned to the Owner-Trustee immediately upon expiration of the termination of the initial or any extended term of this Lease.

§ 14. RECORDING

The Lessee, at its own expense, will cause this Lease, the CSA, the Lease Assignment and any assignment hereof or thereof to be filed and recorded (i) with the Interstate Commerce Commission in accordance with 49 U.S.C. § 11303 and (ii) in the applicable offices of Alberta, Saskatchewan, Ontario and Manitoba. The Lessee will undertake the filing, registering, deposit and recording required of the Owner-Trustee under the CSA and will from time to time

do and perform any other act and will execute, acknowledge, deliver, file, register, record (and will refile, reregister, deposit and redeposit or rerecord whenever required) any and all further instruments required by law or reasonably requested by the Owner-Trustee or the Vendor for the purpose of proper protection, to their satisfaction, of the Vendor's and the Owner-Trustee's respective interests in the Units, or for the purpose of carrying out the intention of this Lease, the CSA or the Lease Assignment.

The Lessee will promptly furnish to the Vendor and the Owner-Trustee evidence of all such filing, registering, depositing or recording, and an opinion or opinions of counsel for the Lessee with respect thereto satisfactory to the Vendor and the Owner-Trustee. This Lease and the CSA shall be filed and recorded with the Interstate Commerce Commission prior to the delivery and acceptance hereunder of any Unit.

§ 15. INTEREST ON OVERDUE RENTALS

Anything to the contrary herein contained notwithstanding, any nonpayment of rentals and other obligations due hereunder shall result in the obligation on the part of the Lessee promptly to pay an amount equal to interest at a rate equal to the lesser of 15% per annum or the highest rate as may be legally enforceable on the overdue rentals and other obligations for the period of time during which they are overdue.

§ 16. NOTICES

Any notice required or permitted to be given by either party hereto to the other shall be deemed to have been given when delivered to such other party or deposited in the United States mails, first-class postage prepaid, addressed as follows:

if to the Owner-Trustee, at 130 South LaSalle Street, Chicago, Illinois 60603, Attention of Corporate Trust Officer; with a copy to the Owner at 300 North Ervay, Republic National Bank Building, Dallas, Texas 75201, Attention of the President;

if to the Lessee, at P.O. Box 1219R, Columbia Road and Park Avenue, Morristown, New Jersey 07960, Attention of Assistant Treasurer;

or addressed to any party at such other address as such party shall hereafter furnish to the other parties in writing. Copies of each such notice shall be given to the Vendor at 135 South La Salle Street, Chicago, Illinois 60690, attention of Corporate Trust Officer or such other address designated by the Vendor. Any certificate, document or report required to be furnished by any party hereto to the other parties shall be delivered to the address set forth above for such party. Any notice to the Lessee by the Vendor regarding the Lessee's failure to perform any obligation hereunder shall also be furnished by the Lessee to the Owner-Trustee.

§ 17. SEVERABILITY; EFFECT AND
MODIFICATION OF LEASE;
THIRD-PARTY BENEFICIARIES

17.1. Severability. Any provision of this Lease which is prohibited or unenforceable in any jurisdiction shall be, as to such jurisdiction, ineffective to the extent of such prohibition or unenforceability without invalidating the remaining provisions hereof, and any such prohibition or unenforceability in any jurisdiction shall not invalidate or render unenforceable such provision in any other jurisdiction.

17.2. Effect of Modification of Lease. This Lease and the Indemnity Agreement exclusively and completely state the rights of the Owner-Trustee and the Lessee with respect to the leasing of the Units and supersede all other agreements, oral or written, with respect thereto, except the Participation Agreement. No variation or modification of this Lease and no waiver of any of its provisions or conditions shall be valid unless in writing and signed by duly authorized signatories for the Owner-Trustee and the Lessee.

17.3. No Third-Party Beneficiaries. Nothing in this Lease shall be deemed to create any right in any person not a party hereto (other than the Owner, the Vendor and the permitted successors and assigns of a party) and this instrument shall not be construed in any respect to be a contract in whole or in part for the benefit of any third party except as aforesaid.

§ 18. EXECUTION

This Lease may be executed in several counterparts, such counterparts together constituting but one and the same instrument, but the counterpart delivered to the Vendor pursuant to the Lease Assignment shall be deemed to be the original and all other counterparts shall be deemed duplicates thereof.

§ 19. IMMUNITIES: NO RECOURSE

It is expressly understood and agreed by and between the parties hereto, anything herein to the contrary notwithstanding, that each and all the representations, undertakings, covenants, warranties and agreements herein made on the part of the Owner-Trustee are made and intended not as personal representations, undertakings, covenants, warranties and agreements by Exchange National Bank of Chicago, or for the purpose or with the intention of binding said bank personally but are made and intended for the purpose of binding only the Trust Estate as such term is used in the Trust Agreement and this Lease is executed and delivered by said national association not in its own right but solely in the exercise of the powers expressly conferred upon it as trustee under the Trust Agreement; and except in the case of gross negligence or wilful misconduct, no personal liability or personal responsibility is assumed by or shall at any time be asserted or enforceable against said bank on account of this Lease or on account of any representations, undertaking, covenant, warranty or agreement of the Owner-Trustee, either expressed or implied, all such personal liability against either said bank or the Owner, if any, being expressly waived and released by the Lessee, the Vendor and by all persons claiming by, through or under either of them.

§ 20. LAW GOVERNING

The terms of this Lease and all rights and obligations hereunder shall be governed by the laws of the State of Illinois; provided, however, that the parties shall be entitled to all rights conferred by 49 U.S.C. § 11303.

IN WITNESS WHEREOF, the parties hereto have exe-

cuted or caused this instrument to be executed as of the date first above written.
